

REMARKS

In this Amendment, Applicants amend claims 1, 6, 8, 12, 90, and 94 to improve form and not for reasons related to patentability. The above-identified application was allowed in the Office Action mailed September 30, 2004. The issue fee has not been paid.

Specifically, Applicants have amended claims 1, 6, 8, 12, 90, and 94 to replace the word "for," when used as "for heating," or "for generating" with "configured to heat" and "configured to generate," respectively. Applicants have made these amendments solely to improve form, and discussed these amendments with the Examiner on October 13, 2004. The Examiner requested Applicants file this Amendment after Allowance as soon as possible.
